We voted to babysit and furnish transportation for General Election Nov. 2.

WILL BABY SIT WHILE YOU VOTE
The ladies of the Stockton V.F.W. Auxiliary believe everyone should vote and to back up that belief they are going to do baby sitting and provide transportation to the polls for those who need it all day Tuesday, Nov. 2, between the hours of 8:00 a.m. and 7:00 p.m. All you have to do is call Mrs. Max Schmitz at HA 5-6472 and make your wants known.
Lions Club Plays Santa in Big Way

Christmas came to a number of Stockton families this year via the Lions Club and the big basket of groceries, toys, clothing and other items, which they delivered Thursday evening. The public co-operated in filling these baskets as everyone had been given an opportunity to give articles or cash, and the response was generous. The Lions want to thank everyone who assisted them in any way, but want to extend a special vote of thanks to the wholesale houses and local distributors for their contributions, as well as the several organizations and one individual for generous checks. These checks came from the Century Club, the Ruffs and Ruffles, the V.F.W., the Club Scouts and Toph, Stopen.

Nineteen baskets of groceries were delivered and these also included toys and clothing where the occasion demanded. A Christmas tree also went with each basket and box and was left if the recipients did not already have one. One basket went to the family in Zurich which had lost most of its possessions by fire a few days previous. Six fruit baskets also went out as friendly gestures to the local ministers and two such baskets were sent to local families who had much illness. The value of all gifts is estimated between $800 and $1,000.

Wholesalers and other distributors furnishing items for the baskets were: Sunbeam Bread Co., tea rolls; House Produce Co., eggs; Fairmont Creamery, milk; Meadow Gold, butter; Rooks County Bakery, bread; Gamb Robinson, celery; Gooch M and W, corn bread mix; Chet and V LeSage, milk; National Biscuit Co., cookies; Sunshine Biscuit Co., cookies; P & B Packers, bologna; Rooks County Milk Producers' Cooperative, cottage cheese; Coca Cola Bottling Co., Coca Cola; Armor, sausages; Lever Bros., soap; Elliott, apples; Morrell, snack; Mid Central Co., orange juice; C-K Packing Co., bologna; Glassco Cheese Co., cheese spread; Quaker Oats, corn meal; Thies Packing Co., ham; Carnation Co., milk; Clover, potato chips; Sim-Shallos, boxes. A ham for each basket was provided by the Lions.

V.F.W. Auxiliary

An informal meeting of the Monroe-Taylor-Barnes Auxiliary met on Nov. 9 at the club rooms with 23 members present. Forty cents was collected on the no pin fund. Minutes were read and approved, and bills paid. Reading of official communications, report of committees, minutes were read and approved, and bills paid. Reading of official communications, report of committees, minutes were read and approved, and bills paid. Reading of official communications, report of committees, minutes were read and approved, and bills paid.
STOCKTON, KA.

V.F.W. AIDS CHRISTMAS MAIL PROGRAM HERE

The local V.F.W. is aiding the Christmas package mailing program here by placing a properly wrapped and addressed Christmas package in the lobby where all can use it as a sample of how it should be done. Then the organization is providing some of the materials with which to do the job, namely stout cord and gummed labels. These can all be had for free in the postoffice lobby.

V.F.W. Auxiliary

A formal meeting of the Monroe-Taylor-Barnes Auxiliary was held in the Club Rooms on Dec. 14 with 25 members present. After the opening services the following business was taken care of: minutes read and approved; presentation of bills; reading of official communications; report of committees; Velma Boyd, community service chairman, reported that Parcel Post stickers and card had been placed in the postoffice for the convenience of people to mail their Christmas packages; a dance to be held at the City Hall on Dec. 16 by Bobby Mills and his orchestra; the Auxiliary will sponsor the polio drive in Stockton; a reminder to those who haven’t paid their 1955 dues, please do so as soon as possible; a motion carried to give the V.F.W. our money in the building fund; we will adopt the equipping of the kitchen as our next project; also we will hold our bonds until they mature unless the money is needed, then it will be turned into the general fund; the auxiliary has purchased silver and everyone is urged to bring a cup to the January meeting. After the Trustees and Treasurer’s reports and the retiring of the colors, the meeting adjourned to meet January 11.—Historian.
The Stockton VFW hopes to be into its newly purchased home by February 1st, and should be able to make it by that date as already much of their equipment has been moved.

The Club recently purchased the two west rooms of the L. W. Shaw building on West Main and are much pleased over the new ground-floor location as for many years the club rented upstairs rooms over the Mavis store. It has long been their hope to get into a building of their own and their new place is ideal for its purpose. The east room will be used as the club's meeting room, but the west room will be utilized as a hall and will be available to the public for various types of entertainment. There is also a basement which will house the club's shuffleboard equipment and pool tables.

The first public meeting which has been scheduled for the hall is on Tuesday, February 1. On Thursday, has been scheduled for the hall is the first public meeting which will be a public square dance February 9. The V.F.W. is planning to sponsor a teen-age dance in February, to be a public square dance February 9. The V.F.W. is planning to sponsor a teen-age dance in

The Rooks County Artificial Breeder's Association meeting for the near future and has a number of other things in mind that they hope to use the hall for from time to time that will be of benefit to the community.

Mother's March
FOR
March of Dimes

PLEASE TURN ON YOUR PORCH LIGHT AND HAVE YOUR DONATION READY

Monday, January 31

V.F.W. Auxiliary
An informal meeting of the Monroe-Taylor-Barnes Auxiliary was voted on; new business consisted of: The Auxiliary will sponsor the March of Dimes drive in Stockton this year; Cora Robinson, Myrna Kincaid, Mildred Young and Leta Bouchey will canvass the business district; Betty Hunter, Helen Welk, Minnie Dietrich and Helen Green have been elected as assistants. They have sent cards to all rural schools in their area for the children to use in making donations to the cause. They also have sent similar cards to many rural residents for their convenience in mailing in contributions. Coin collectors have been placed in many of the business houses where loose change may be dropped from time to time. Opportunities will also come to most people to contribute thru organizations of various kinds.

Monday, January 31, will be the big day in the campaign, however. On that date extra effort will be put forth and it will see the Mothers' March. In Stockton, the mothers will go out at six o'clock sharp. If you are at home (and you are urged to be at home at that time), you will please turn your porch light on and have your donation ready. Some mother from your neighborhood will call on you at that time. The ladies must get their March over in a hurry as most of them will also want to take part in the second big event of day—the square dance at the city auditorium, which will be sponsored by the Lions Club. Admission will be a donation to the March of Dimes.

The March of Dimes is the annual event to raise funds to fight polio, the dread disease which has struck in this community and may strike again. More money than ever is needed now, one of the reasons being to carry on the research and manufacture of the vaccine which is being tried.
